### **President's Report**

by Dom Stevens

- Number of shoots declining, very concerning.
- Canadians drove new PITA memberships but this is distorted statistics.

- Yearbook coming out late.

### **Treasurer's Report**

By Marshall Wirawan

- The BCTA is doing well and is projected to make \$9,000 profit at the end of the fiscal year.
- Number of shoots has gone down.
- This year, the CTA Canadians held at Vancouver brought in \$4,350 revenue in BCTA target fees but this is not a regular revenue stream.
- As of September 19<sup>th</sup>, the BCTA has \$32,000 in the bank account.

### **NEW BUSINESS**

#### **2025 BCTA Provincial**

- No proposal/interest from any club was received to host the 2025 BCTA Provincial.
- The BCTA will approach Langley Rod & Gun Club to host the Provincial next year.
- Satellite shoot was considered but we don't have the preparation or capability to host a satellite shoot just yet. Maybe for 2026.

#### **One Day Shoots**

- The lower mainland clubs will try switching over to 1-day 300-bird shoots next year. They seem to be more popular.

Meeting adjourned at 7:45pm.

Next Meeting: 2025 AGM during the Provincial. Date & place TBD.
